Excellence in Fragrance Diffusion

FINE TOUCH

CATEGORY «INVISIBLE SOLUTIONS»

A simple touch of fragrance

Simplicity, adaptability. These words describe the Fine Touch, a next-generation tester that offers almost endless possibilities to meet the desires and needs of brands. It reinvents the concept of discovering fragrances or aromas by creating a new kind of sensory experience.

With its sleek and fully customizable design, the Fine Touch is a novel and delicate way to facilitate the discovery of new fragrances. It reproduces the original scent perfectly and is without a doubt a helpful tool to guide consumers who are choosing between fragrances.

Regular use of the Fine Touch also respects the environment. It creates no olfactory pollution and requires no maintenance. The Fine Touch lasts 3 months while a spray tester has a lifespan of around 3 weeks.

- Perfect reproduction of fragrances with no after-scent
- Customizable product
- 3-months lifespan
- Ideal for helping consumers discover fragrances in stores
- Dry diffusion technology
- Made in France
